Product Specification Sheet

Targus 16 inch / 40.6cm Unofficial Messenger (Brown)

Part #: TSM10301EU

Product Description:

The Targus Unofficial Messenger is designed to fit up to 16" widescreen laptops. For added protection, the laptop compartment features 360° air-mesh padding for ventilation and protection on all four sides of the laptop. The front messenger flap features a strong magnetic closure which is quiet and easy to use. The large front zippered compartment makes it easy to store items you may need to access quickly such as a wallet, keys or airline ticket. The interior of the case includes additional zippered compartments for storage, pen loops and two small accessory pockets for a mobile phone or MP3 player.

The back slip pocket provides convenient storage for magazines, files or documents and the shoulder strap can be adjusted for a snug fit. Constructed of durable nylon material, the Unofficial Messenger features a slim, lightweight design with a number of storage options to hold electronic devices, books or additional accessory items.
